MAKE YOUR CAREER A BEAUTIFUL JOURNEY.

At Louis Vuitton, every career is a unique journey: yours. Filled with emotion, passion and audacity. An invitation to share over 150 years of creativity, savoir-faire and excellence across the globe.

Louis Vuitton: one name, two famous initials, savoir-faire and values. While the company has inherited a tradition, it also knows how to innovate and create – for instance, by reworking its iconic monogram canvas in graffiti or eclectic colors. Both family-run and visionary, this fashion house swiftly became international, opening its first store in England over one hundred years ago. From leather goods to ready-to-wear via shoes and fine jewelry, Louis Vuitton offers luxury services and products to a global clientele. Today, Louis Vuitton is the world’s premier luxury brand.
